Dear all,

Thank you for your interest in next weekend's hike. We are just sorting out arrangements. Smaller group with 9 youth.

We are confirming who would like to do the long hike from Katoomba and who would prefer a lift/short hike to Dunphy's campground. Khyllie has offered to drive down on both days.

Please let us know if your family can help with transport on one or both days. We can easily book in the Katoomba maxi taxi if we have a large group for the lift option.

Please let us know your preference. I know some of you are keen to accumulate some kilometres.

Meeting point Katoomba Station commuter carpark Goldsmith Place opposite The Gearin Hotel 8:00 am.

If you travel in a shared car remember to apply hand sanitiser before and after, wear a mask and open windows.

Thank you,

Tristan
